## **FOR IMMEDIATE RELEASE:**

### **Cleaning Technologies Group, LLC Promotes Jeff Mills to Ransohoff National Sales Manager**

January, 16 2015 – Cincinnati, OH

Cleaning Technologies Group is pleased to announce the promotion of Jeff Mills to the position of Ransohoff National Sales Manager effective December 2014. In his new role, Jeff will assume responsibility for Ransohoff new machine and rebuild sales along with coaching and mentoring the team to not only expand on our successes in the automotive market but to penetrate other growing industrial markets throughout the US. Jeff will also maintain his current responsibilities with our chemical business.

Jeff has been with Ransohoff since October 1997 serving in different positions from Product Engineer, Purchasing Manager and the most recent position as a Regional Sales Manager. In the Regional Sales Manager position Jeff has set the bar for the team over the years with his significant contributions to both our top and bottom lines. In 2013 he set a new company record for new machine business. "Jeff is a model sales manager and his ability to quickly develop lasting relationships with new customers never ceases to impress me" - Chris Whittaker, VP of Sales & Marketing CTG, LLC.

Jeff is a graduate of the University of Cincinnati, and has a Bachelor of Science in Mechanical Engineering.

*Cleaning Technologies Group, LLC is a world leader in providing innovative cleaning and waste minimization technologies to precision and industrial manufacturing markets.
